Wilson Elser's Admiralty & Marine Practice is considered foremost among related providers in the United States. We maintain offices near most major U.S. ports and advise clients on a full range of maritime insurance and admiralty matters.

While fundamentally litigators who try cases and argue appeals, our capabilities encompass skills as varied as handling commercial transactions and providing ready crisis management and emergency response assistance.

The practice was recently expanded with the addition of several accomplished attorneys to our Miami office, including Raúl Chacón Jr., Jonathan Dunleavy, Russell Pfeifer and Gustavo A. Martinez-Tristani.

A steadfast supporter of the Marine and Insurance Claims Association, Wilson Elser is proud to be among the sponsors of tonight's Annual Dinner.
